

Call for Papers

10th International Logistics Doctoral Student Workshop on June 20, 2017

The Fraunhofer Institute for Factory Operation and Automation IFF will hold their 20th IFF Science Days in Magdeburg from June 20 to 22, 2017. In addition, both the Otto von Guericke University's Institute of Logistics and Material Handling Systems (ILM) and the Fraunhofer IFF will host the 10th International Logistics Doctoral Student Workshop on June 20, 2017.

Doctoral students from a variety of countries will present their research in the field of logistics and discuss their work with other participants. Papers of participants will be published in a volume of proceedings subsequent to the workshop. We are looking forward to your attendance and presentation of your work.
