

## 11<sup>th</sup> International Doctoral Student Workshop on Logistics

The Fraunhofer Institute for Factory Operation and Automation IFF will hold their 21<sup>st</sup> IFF Science Days in Magdeburg from June 19 to 21, 2018. In frame of that, both the Otto von Guericke University's Institute of Logistics and Material Handling Systems (ILM) and the Fraunhofer IFF will host the 11<sup>th</sup> International Doctoral Student Workshop on Logistics on **June 19, 2018**.

Doctoral students from a variety of countries are invited to present their research in the wider field of logistics and discuss their work with other participants and logistics experts in thematic groups. Also there will be the possibility to publish papers in a volume of proceedings subsequent to the workshop. We are looking forward to your attendance and presentation of your work.
